Foreword from the Chairman of the Olympic Airways National Soccer League

As we enter our ninth season we are all anxious to continue the success and impact of last year's Top Five Series, an event which attracted nearly one hundred thousand spectators and was reminiscent of the golden era for soccer.

This year with a compact season, an enlarged Cup competition, a simplified home and away format and World Cup eliminations in September, we look forward to what promises to be an exciting year.

At the same time we shall pursue the introduction in 1986 of an Asian Cup on lines similar to that of the European Cup. There is no doubt that both government and industry will support the concept as already shown with the recent China-Australia Ampol Cup.

I welcome Olympic Airways as our new sponsor and urge all clubs to fulfil their obligations so that a successful partnership can be formed.

I extend my best wishes to all clubs for the 1985 season.

SAM PAPASAVAS, O.A.M.
Chairman

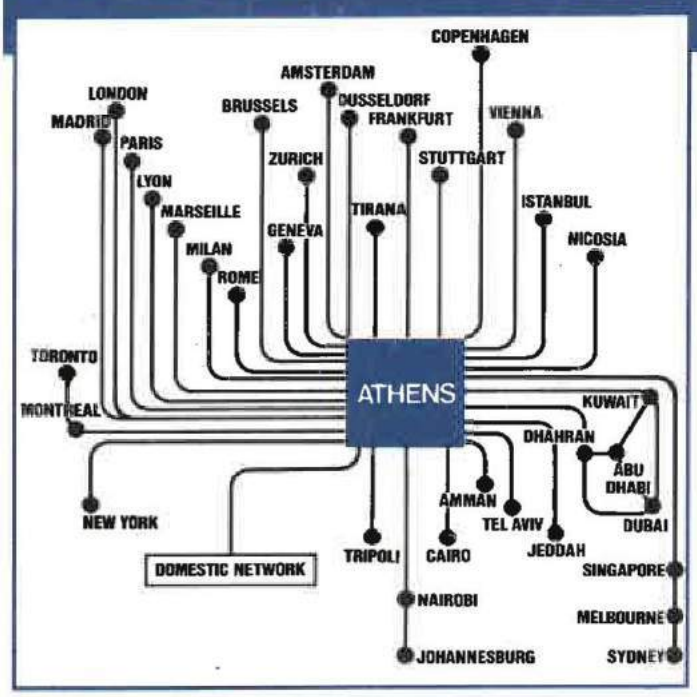
FLY OLYMPIC TO ATHENS AND THE WORLD

A WISE CHOICE



Every Wednesday and Saturday afternoon, Olympic Airways' pampered passengers fly by superb 747's to Athens.

Olympic can then fly you from Athens onward to London, the rest of Europe and the world! But you'd be wiser to stopover on a Greek island – and keep the world waiting.
